# Most banks have now embarked on their cloud journey

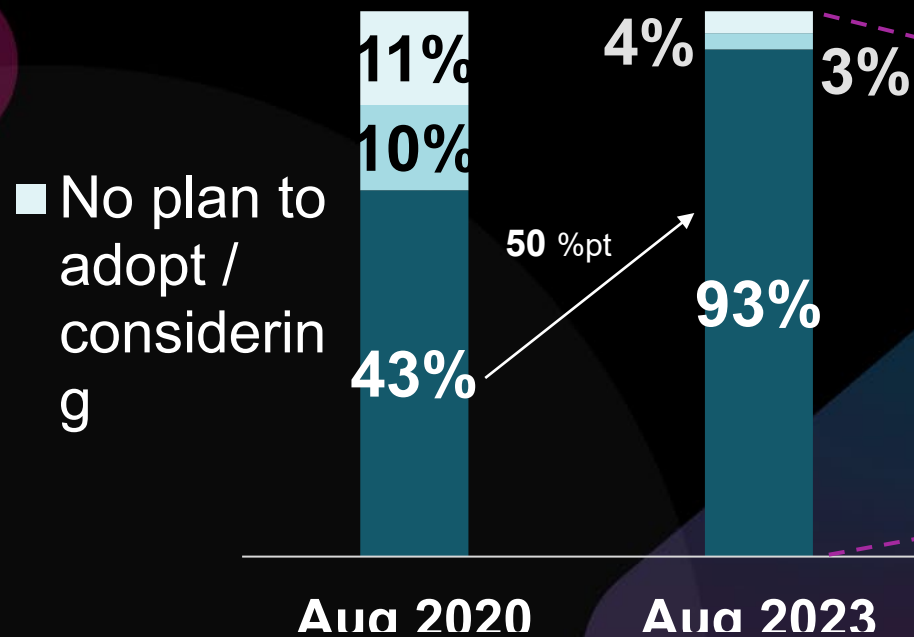

## Capgemini World Report

Cloud in Financial Services

## Banking cloud journey progress

% of FS executives – Aug 2020 V/s Aug 2023 (n > 500)

## Banks Adoption

(Partial/complete initiation) by region, % of FS executives – Aug 2023

As efforts have started, time has come to harvest the benefits by moving to cloud first and reach – business value
