

Real-time payments across the globe

Jude Pinto
Payments Canada
MODERATOR

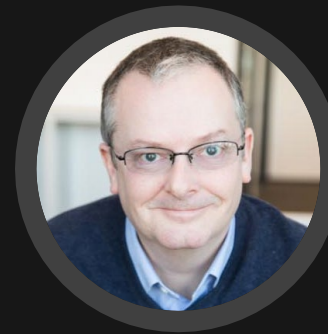

Dan Baum
Federal Reserve
Bank

Kjeld Herreman
RedCompass Labs

Uwe Klatt
GEVA Group

Rob Magee
Australian Payments
Network

Isabel Schmidt
BNY

How we see initiatives for instant payments achieving *global* scale

What we learned from ISO 20022 migration experiences and insights into the enhanced data that ISO 20022 enables

What we learned from the high-value payment space, and how these lessons can be applied to real-time payments

What value-added services we would like to see enhance the real-time payments experience

Thank you to speakers

- Dan Baum, Senior Vice President and Head of Payment Product, FedNow – Federal Reserve Bank
- Kjeld Herreman, Head of Strategy Advisory, RedCompass Labs
- Uwe Klatt, CEO, GEVA Group
